

Ratby Primary School

Inspiring a love of learning

Headteacher: Mrs Lisa Jones

Deputy Headteacher: Mrs Clare Astill **Assistant Headteacher:** Mrs Kayleigh Denton

1st October 2021

Dear Parents/Carers,

We have been learning about keeping healthy and whole foods in our Design and Technology unit this term 'Food for Life' which is linked to our Blood Heart topic. In this unit, your child will be making their own wholemeal bread, where they will choose from a selection of ingredients to make their personalised design.

This lesson will take place next week:

- Neptune class will bake their bread on Thursday 7th October
- Earth class will bake their bread on Friday 8th October (but please can they bring in their ingredients on Thursday 7th so we can check for allergies)

The children have already decided their ingredient/s to put in their bread and will need to bring these into school next **Thursday 7th October**. We will provide the basic bread recipe so all they will need to bring into school is their chosen addition, eg: cheese, sun-dried tomato etc.

Please can you ensure that no nuts, eggs, sesame seeds or their products are sent into school.

Thank you very much for your continued support. We look forward to making bread next week and having a lovely time.

Kind Regards

The Year 6 Team
