

# Ratby Primary School

*Inspiring a love of learning*

**Headteacher:** Mrs Lisa Jones

**Deputy Headteacher:** Mrs Clare Astill    **Assistant Headteacher:** Mrs Kayleigh Denton

8<sup>th</sup> March 2023

Dear Parents/Carers

The organisers of British Science Week would like Ratby Primary School to enter a poster competition on the topic of 'connections'.

Some ideas we came up with were:

- Exploring the connections between parts of the body.
- The connection between our actions and the impact on our environment.
- How internet connection has changed the world.
- The connections within a food chain.
- The connections within a circuit.
- How the parts of the water cycle are connected.

**However, any idea is fine as long as it is Science based and links to the theme Connections!**

The poster must be A4 or A3 size. **The deadline for entries is Monday 27<sup>th</sup> March.**

You can use pop up pictures, pull out tabs or materials such as paint, drawing pencils, crayons and paper. Posters will be judged on creativity, how well they fit the theme, how well the poster has been made or drawn, and how engaging they are.

We will have three prize winners in school and will enter the National British Science Week Competition!

Thank you in advance for your support We look forward to seeing your entries!

Kind Regards

Mrs Thomas  
Science Coordinator.
